University School Of Information, Communication And Technology
Bachelor Of Technology in Information Technology

2022 – 2026
Delhi, India

SKILLS

Frontend – HTML, CSS, Bootstrap, Tailwind

Designing – Canva, Figma, Adobe photoshop

Tools – GIT, Github, VSCode

Soft Skills – Content Writing, Time management, Problem solving, Critical thinking

WORK EXPERIENCE

Bharat Intern, Front-end development intern

Aug 2024 – Sep 2024

- Developed and maintained responsive web pages using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimized user experiences.
- Enhanced user interfaces by implementing modern UI/UX principles, resulting in improved usability and visual appeal.
- Collaborated with team members to design and prototype front-end solutions, integrating feedback to refine designs effectively.
- Participated in workshops and applied constructive feedback to improve coding standards, debugging techniques, and design consistency.

PROJECTS

Netflix Clone

- Designed and developed a responsive web application replicating Netflix's user interface using HTML, CSS, and Tailwind CSS, ensuring a realistic landing page experience.
- Implemented features for browsing content with optimized layouts and minimal buffering, enhancing user interaction and performance.
- Focused on cross-device compatibility, creating a seamless user experience across various screen sizes and platforms.

Design Team Member | InfoXpression'22

- Collaborated with team members to create captivating designs, photo frames, and posters for InfoXpression'22.
- Utilized skills in Canva and Figma to develop visually appealing graphics.

POSITION OF RESPONSIBILITIES

Graphics and Design Team | USS ACM

- Played an integral role in the graphics and designing team of the USS ACM Student Chapter, contributing to the creation of numerous posters for various events.
- Provided guidance and support to new learners in design, fostering their skills and enhancing the overall capabilities of the team

Event Organiser | Hashtech'23

Played a crucial role in the design aspect of the event, contributing creative ideas and assisting in the creation of promotional materials and event visuals. Also, demonstrated high leadership and organizational skills.
